Overview

- The University has selected Zoom as the primary platform to support synchronous teaching and learning activities. Zoom is trusted by universities and well received by users around the world (including mainland China). Despite its rich features, most users find it very easy to use.
- **Zoom One for Education Enterprise Essentials** plan is assigned to CUHK staff users when they sign in to Zoom with **SSO** (company domain: cuhk.zoom.us) using CUHK Login: **Meeting** (capacity: **500**), **Webinar** (attendee capacity: **500**), unlimited Whiteboard, and Translated Captions.
- Special arrangement has to be made by ITSC to allocate a large meeting license, which allows up to 1000 participants. Apart from “Meeting”, ZOOM can conduct “Webinar” which allows up to 10,000 participants. “Meeting” and “Webinar” have different functionality. For more about special license, please refer to [this page](https://help.edtech.cuhk.edu.hk/docs/the-current-zoom-license-allows-a-meeting-with-up-to-300-participants-only-what-if-more-than-300-participants-are-expected) (<https://help.edtech.cuhk.edu.hk/docs/the-current-zoom-license-allows-a-meeting-with-up-to-300-participants-only-what-if-more-than-300-participants-are-expected>).
- **Licenses that have not been used for three months will be removed.** To regain the license, please sign in at <https://cuhk.zoom.us>.

 - Please consider **locking the meeting** (<https://support.zoom.us/hc/en-us/articles/360041848151-In-meeting-security-options>) once it is started if you would only like to have one host in the meeting (e.g., for recording purpose and do not expect any participants to join).
