Please increase the zoom level of your Safari to 100% or higher, to see if the items could be shown. To learn how to increase zoom level, please refer to: Change the font size or zoom level of web pages in Safari (https://support.apple.com/en-gb/HT207209)

If the issue still could not be resolved, please use another supported browser (e.g. Chrome, Firefox) to access Blackboard. You can check Blackboard Help: Browser Support (https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support), and make use of Blackboard Help: Browser Checker (https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support/Browser_Checker) as well.
