

FeedbackFruits: Collaboration Options

Last Modified on 03/03/2025 4:04 pm HKT

When developing interactive activities like **Peer Review** (<https://feedbackfruits.com/peer-review>) and **Group Member Evaluation** (<https://feedbackfruits.com/group-member-evaluation>), you will encounter various collaboration options.

FeedbackFruits provides diagrams to help visualize and understand the available options.

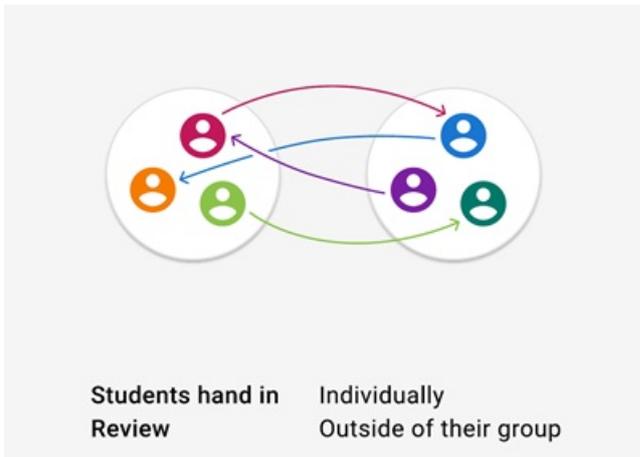

- Students are evaluated (hand in): Individually; Students evaluate (review): Individually

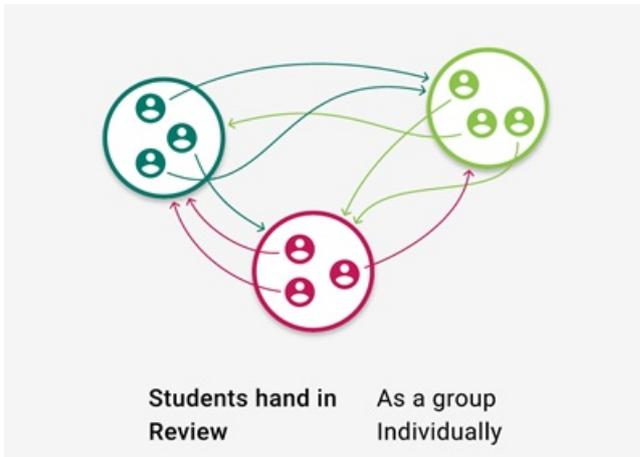

- Students are evaluated (hand in): Individually; Students evaluate (review): Within groups

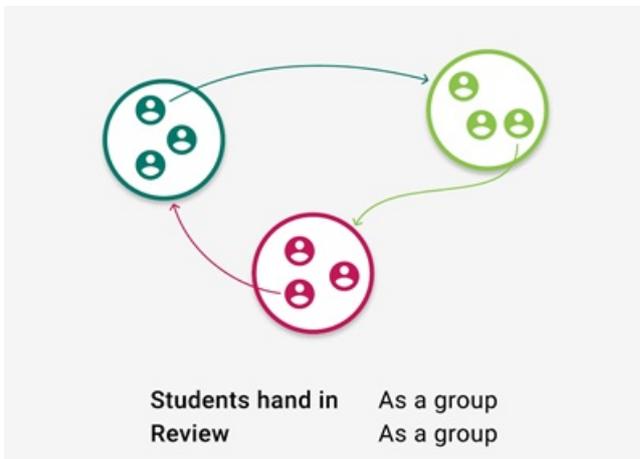

- Students are evaluated (hand in): Individually; Students evaluate (review): Outside of their group

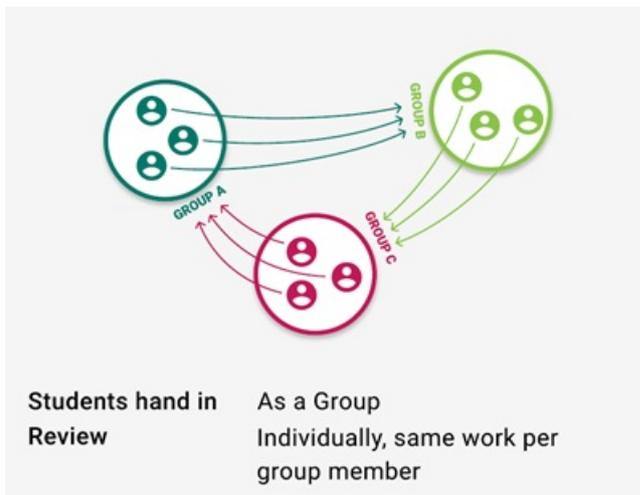

- Students are evaluated (hand in): As a group; Students evaluate (review): Individually

- Students are evaluated (hand in): As a group; Students evaluate (review): As a group

- Students are evaluated (hand in): As a group; Students evaluate (review): Individually, same work per group member

Detailed explanations and examples of these options can be found on FeedbackFruits Help:
