

VeriGuide Assignment Content Tool in Blackboard

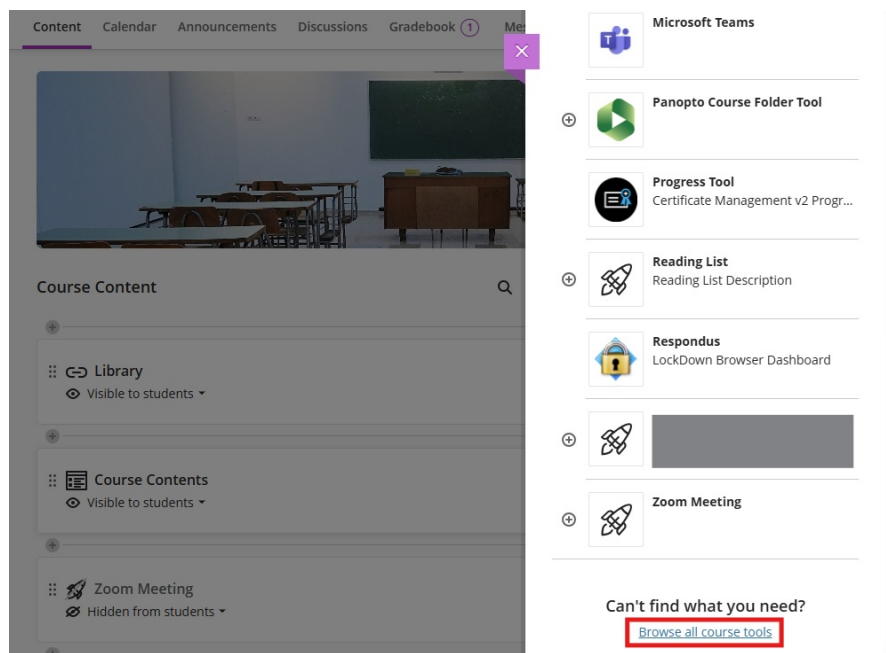

Last Modified on 04/11/2025 10:54 am HKT

Setup

1. On the homepage (Content), click on **View course & institution tools** under **Books & Tools**.

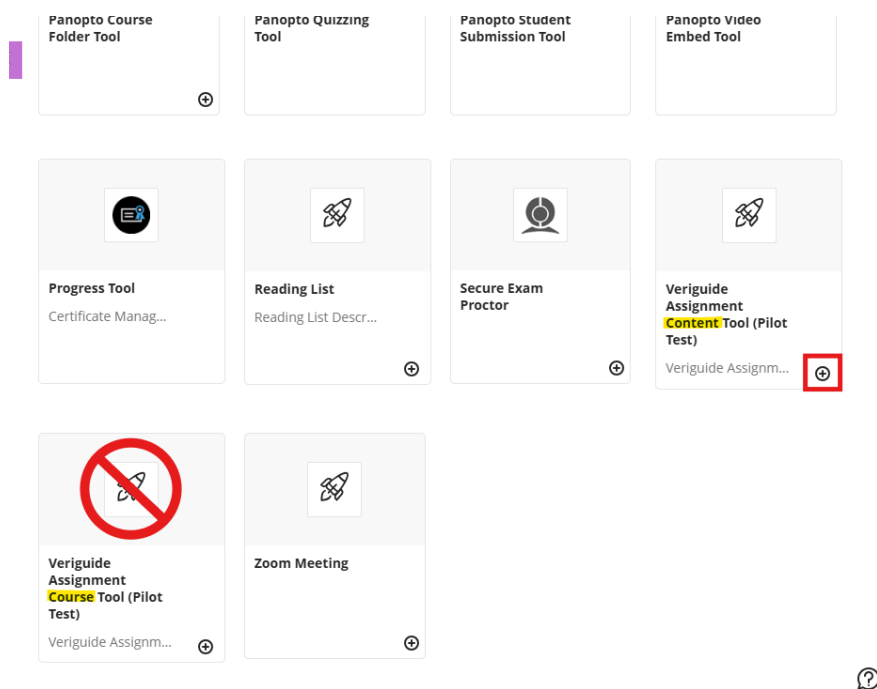

2. Scroll to the bottom and click on **Browse all course tools**.

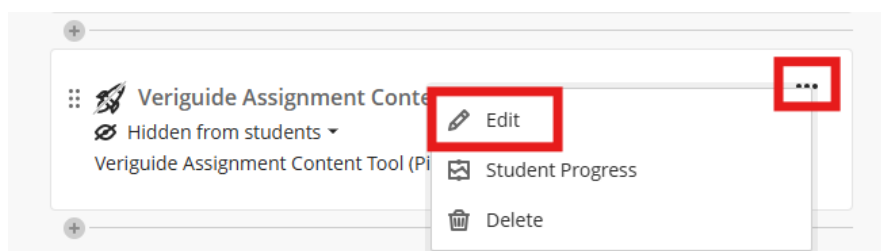

3. Look for **Veriguide Assignment Content Tool (Pilot Test)**, click on the "+" symbol (plus button) to add it into your course.

Questions: elearning@cuhk.edu.hk

Copyright © 2020 The Chinese University of Hong Kong. All rights reserved.

- Once added the item to your course, click on "... " (three dots), and click on **Edit**, then a sidebar containing the details of the integration link will pop out.

- In the sidebar, you can change the name, description and other details. Please remember to check the **Create gradebook entry for this item** option and set the **Grade using** option to **Points**, Due date and Maximum points can be entered at your discretion.

Student Experience

When the item is created, students can click on the assignment and click **Launch** to submit their assignment and if needed, the signed receipt of their submission.

Instructor Experience

Instructors can review the list of submission, each submission submitted by the students, grade the submission or give feedback to students.

If you have questions, please contact VeriGuide Support Team at veriguide@cuhk.edu.hk ().
